

LESSON PLAN

7th Sem (Lecture)

Sr. No.	Date	Day	Topic	Teacher
1.	03/07/17	Monday	<u>Normal Labour</u> – <ul style="list-style-type: none"> • Physiological changes in labour • Stages of labour • Events in different stages of labour 	Dr. Salvi
2.	04/07/17	Tuesday	<u>Normal Labour</u> – <ul style="list-style-type: none"> • Mechanism & Management - • Clinical course • Management, active management of third of labour. 	Dr. Salvi
3.	10/07/17	Monday	<u>Normal Puerperium</u> – <ul style="list-style-type: none"> • Duration • Involution Of Uterus & Other Pelvic Organs • General Physiological Changes • Management Of Puerperium And Its Ailments • Postnatal Care 	Dr. Thawal
4.	11/07/17	Tuesday	<u>Postdatism</u> – <ul style="list-style-type: none"> • Definition • Complications • Investigation • Management • Fetal Surveillance • Induction Of Labour 	Dr. Tambe
5.	17/07/17	Monday	<u>PIH</u> – <ul style="list-style-type: none"> • Classification • Gestational hypertension • Pre- eclampsia, • Eclampsia chronic hypertension • Essential hypertension – pathogenesis • Diagnosis • Management & maternal & fetal outcome • Anticonvulsive therapies. 	Dr. Gaikwad

6.	18/07/17	Tuesday	<p><u>OP Presentation</u> –</p> <ul style="list-style-type: none"> • Definition & causes • Mechanism of labour • DTA POP & occipito sacral • Complications • Treatment 	Dr. Tambe
7.	24/07/17	Monday	<p><u>Premature rupture of membranes (PROM)</u></p> <ul style="list-style-type: none"> • Etiology, Types • Diagnosis • Complications During Labour • Chorioamnionitis • Management 	Dr. Thawal
8.	25/07/17	Tuesday	<p><u>Preterm Labour</u> -</p> <ul style="list-style-type: none"> • Definition • Incidence • Etiopathogenesis • Signs • Symptoms • Management • Prevention & Measures To Arrest Preterm Labour Various Tocolytic Therapies • Precautions At Conduction Of Preterm Labor • Preterm Newborn 	Dr. Salvi
9.	31/07/17	Monday	<p><u>Abortion</u> –</p> <ul style="list-style-type: none"> • Spontaneous abortion- threatened, inevitable • Complete, incomplete, missed, septic, recurrent. • Definition, • Clinical features • Causes • Investigations and management • Second trimester abortion (cervical incompetence) different diagnostic methods • Operative procedures 	Dr. Burute
10.	01/08/17	Tuesday	<p><u>Transverse Lie</u></p> <ul style="list-style-type: none"> • Position • Etiology • Diagnosis • Shoulder Presentation – Management • Hand Prolapse - Management 	Dr. Thawal

11.	07/08/17	Monday	<p><u>Breech Presentation</u> -</p> <ul style="list-style-type: none"> • Types • Etiology • Diagnosis • Mechanism Of Labour • Maternal Fetal Outcome • Assisted Breech Delivery • Management Of Complicated Breech Delivery 	Dr. Patvekar
12.	08/08/17	Tuesday	<p><u>Twins-</u></p> <ul style="list-style-type: none"> • Multifetal Pregnancy – Varieties • Causes • Diagnosis • Complications, Management. 	Dr. Salvi
13.	14/08/17	Monday	<p><u>Eclampsia</u> –</p> <ul style="list-style-type: none"> • Classification, • Gestational hypertension, • Pre- eclampsia, eclampsia, chronic • Hypertension, • Essential hypertension – pathogenesis, • Diagnosis, • Management & • Maternal & fetal outcome • Anticonvulsive therapies 	Dr. Bal
14.	21/08/17	Monday	<p><u>Placenta Previa</u> –</p> <ul style="list-style-type: none"> • Multifetal Pregnancy – Varieties • Causes • Diagnosis • Complications • Management 	Dr. Tambe
15.	22/08/17	Tuesday	<p><u>Hydramnios</u> –</p> <ul style="list-style-type: none"> • Polyhydramnios & Oligohydramnios – Causes • Management • Complications 	Dr. Puri
16.	28/08/17	Monday	<p><u>Abruptio Placenta</u> –</p> <ul style="list-style-type: none"> • Accidental Hemorrhage – Clinical Features • Grading • Complications • Management 	Dr. Salvi
17.	29/08/17	Tuesday	<p><u>Complication of 3rd stage labour</u> –</p> <ul style="list-style-type: none"> • Postpartum hemorrhage • Retained Placenta Inversion • Sepsis, Shock 	Dr. Deshpande

18.	04/09/17	Monday	<u>Anaemia in Pregnancy</u> – <ul style="list-style-type: none"> • Physiological Anaemia • Classification • Iron Deficiency Anaemia • Megaloblastic Anaemia • Aplastic Anaemia • Thalassemia • Sickle Cell Anaemia • Platelet Disorders • Different Iron Preparations & Therapies- Oral, Parenteral 	Dr. Tambe
19.	11/09/17	Monday	<u>LSCS</u> – <ul style="list-style-type: none"> • Etiology • Classification • Diagnosis • Prognosis • Management • Complications 	Dr. Thawal
20.	12/09/17	Tuesday	<u>Heart Disease in pregnancy</u> – <ul style="list-style-type: none"> • Etiology • Classification • Diagnosis • Prognosis • Management • Complications 	Dr. Madkar
21.	18/09/17	Monday	<u>Breast Feeding</u> – <ul style="list-style-type: none"> • Importance of breast feeding • Benefits, physiology of lactation • technique, care • Contraindications • Baby friendly hospital • methods of lactation suppression 	Dr. Tambe
22.	19/09/17	Tuesday	<u>Ectopic Pregnancy</u> – <ul style="list-style-type: none"> • Tubal • Interstitial • Unruptured And Ruptured Tubal, Abdominal • Ovarian, Corneal • Cervical Pregnancies & Their Diagnosis • Management 	Dr. Thawal

9th Sem (Lecture)

Sr. No.	Date	Days	Topic	Name of Teachers
1.	27/06/17	Tuesday	<u>Abnormal Puerperium</u> – <ul style="list-style-type: none"> • Puerperal pyrexia and sepsis • Subinvolution • Urinary complications • Breast complications • Puerperal venous thrombosis • Puerperal emergencies • Obstetric palsies • Psychiatric disorders 	Dr. Gaikwad
2.	03/07/17	Monday	<u>Placenta Previa</u> – <ul style="list-style-type: none"> • Multifetal Pregnancy – Varieties • Causes • Diagnosis • Complications • Management 	Dr. Burute
3.	04/07/17	Tuesday	<u>Abruptio Placenta</u> – <ul style="list-style-type: none"> • Accidental Hemorrhage – Clinical Features • Grading • Complications • Management 	Dr. Patvekar
4.	10/07/17	Monday	<u>Anaemia in Pregnancy</u> – <ul style="list-style-type: none"> • Physiological Anaemia • Classification • Iron Deficiency Anaemia • Megaloblastic Anaemia • Aplastic Anaemia • Thalassemia • Sickle Cell Anaemia • Platelet Disorders • Different Iron Preparations & Therapies- Oral, Parenteral 	Dr. Puri
5.	11/07/17	Tuesday	<u>PPH</u> - <ul style="list-style-type: none"> • Causes • Diagnosis • Management • Shock – Pathophysiology • Types – Hypovolaemic • Shock • Septic Shock • Cardiogenic Shock • Clinical Features • Management 	Dr. Deshpande

6.	17/07/17	Monday	<p><u>Ca Cervix</u> –</p> <ul style="list-style-type: none"> • Pathophysiology screening test, • Pap smear colposcopy visual inspection of cervix, • Signs & symptoms;staging • Investigations • Surgical chemotherapy and radiotherapy • Principles of treatment of cancer cervix 	Dr. Bal
7.	18/07/17	Tuesday	<p><u>Heart Disease in pregnancy</u>–</p> <ul style="list-style-type: none"> • Etiology • Classification • Diagnosis • Prognosis • Management • Complications 	Dr. Madkar
8.	24/07/17	Monday	<p><u>OP Presentation & TR Lie</u> –</p> <p><u>OP Presentation</u> –</p> <ul style="list-style-type: none"> • Definition & causes • Mechanism of labour • DTA POP & occipito sacral • Complications • Treatment <p><u>Transverse Lie</u></p> <ul style="list-style-type: none"> • Position • Etiology • Diagnosis • Shoulder Presentation – Management • Hand Prolapse - Management 	Dr. Salvi
9.	25/07/17	Tuesday	<p><u>Breech Presentation</u> -</p> <ul style="list-style-type: none"> • Types • Etiology • Diagnosis • Mechanism Of Labour • Maternal Fetal Outcome • Assisted Breech Delivery • Management of Complicated Breech Delivery 	Dr. Patvekar
10.	31/07/17	Monday	<p><u>Fibroid Uterus</u> –</p> <ul style="list-style-type: none"> • Classification Of Fibroids • Pathology, Incidence • Signs And Symptoms • Diagnosis & Investigations • Management-Medical & Surgical Including Conservative Methods 	Dr. Thawal

11.	01/08/17	Tuesday	<p><u>V Mole</u> –</p> <ul style="list-style-type: none"> • Hydatidiform mole • partial mole • placental site trophoblastic tumour • choriocarcinoma. Diagnosis and management 	Dr. Madkar
12.	07/08/17	Monday	<p><u>Gest. HTN</u> –</p> <ul style="list-style-type: none"> • Classification • Gestational hypertension • Pre- eclampsia • Eclampsia • Chronic hypertension • Essential hypertension – renal causes • Pathogenesis • Diagnosis • Management • Maternal & fetal outcome. <p>Anticonvulsive therapies</p>	Dr. Burute
13.	08/08/17	Tuesday	<p><u>Eclampsia</u> –</p> <ul style="list-style-type: none"> • Classification, • Gestational hypertension, • Pre- eclampsia, eclampsia, chronic • Hypertension, • Essential hypertension – pathogenesis, • Diagnosis, • Management & • Maternal & fetal outcome <p>Anticonvulsive therapies</p>	Dr. Bal
14.	14/08/17	Monday	<p><u>Prolapse</u> –</p> <ul style="list-style-type: none"> • Definition • Etiology • Clinical features • Classification & management – conservative • Surgical <p>Nulliparous prolapse</p>	Dr. Gaikwad
15.	21/08/17	Monday	<p><u>Multiple pregnancy</u> –</p> <ul style="list-style-type: none"> • Definition • Types • Etiology • Maternal & fetal complications • Management 	Dr. Thawal

16.	22/08/17	Tuesday	<p><u>Induction of Labour</u> –</p> <ul style="list-style-type: none"> • Indications & contraindications • Bishop score • Methods of cervical ripening • Methods of induction of labour – medical , surgical, & combined 	Dr. Burute
17.	28/08/17	Monday	<p><u>Ca Ovary 1</u> –</p> <ul style="list-style-type: none"> • Classification of ovarian tumours, • Diagnosis of benign and malignant ovarian tumors. <p>Principles of management and early referral</p> <ul style="list-style-type: none"> • 	Dr. Puri
18.	29/08/17	Tuesday	<p><u>Ca Ovary 2</u> –</p> <ul style="list-style-type: none"> • Common types of malignant ovarian tumors • Clinical presentations • Investigations • Diagnosis • Management 	Dr. Puri
19.	04/09/17	Monday	<p><u>Rh incompatibility</u> –</p> <ul style="list-style-type: none"> • Basic type of blood group • Other uncommon blood groups • Pathophysiology of Rh incompatibility • Fetal monitoring & complications in Rh incompatibility • Management 	Dr. Madkar
20.	11/09/17	Monday	<p><u>Ca Endometrium</u> –</p> <ul style="list-style-type: none"> • Endometrial carcinoma-pathology, sign and symptoms, staging. • Diagnosis, • principles of treatment 	Dr. Patvekar
21.	12/09/17	Tuesday	<p><u>HIV in pregnancy</u> –</p> <ul style="list-style-type: none"> • Pathogenesis, • Effects on pregnancy, • Clinical features, • Prenatal care, • Intrapartum care, • Treatment for mother & child, prevention & contraception. <p><u>H1N1 in pregnancy</u> –</p> <ul style="list-style-type: none"> • Causative organism • Pathology • Maternal & fetal complication • Management 	Dr. Deshpande

22.	18/09/17	Monday	<p><u>Dengue in pregnancy –</u></p> <ul style="list-style-type: none"> • Introducing • Discussion about causative organism & vector • Clinical picture • Special risk during pregnancy • Complications in general and during pregnancy • Investigations and monitoring • Management with special reference to anesthesia and surgical procedures if required 	Dr. Gaikwad
23.	19/09/17	Tuesday	<p><u>Vaccination in pregnancy –</u></p> <ul style="list-style-type: none"> • General consideration about vaccine • Significance of vaccination • Types of vaccines and immunity and immunity mechanism and types • Principles of vaccination during pregnancy • Safety of different vaccination during pregnancy and its schedule • Vaccination for high risk infections • Which vaccination are not recommended during pregnancy • Mythes about vaccination e.g. autism 	Dr. Tambe

9th Semester (Tutorial)

Sr. No.	Date	Topic	Teacher
1.	21/06/17	<p><u>Pelvis & Skull-</u></p> <ul style="list-style-type: none"> • False pelvis • True pelvis • Parts – Inlet - Its diameter, Inclination & angles • Cavity, stage, planes, axis & diameter 	Dr. Manju
2.	28/06/17	<p><u>Mechanism of Normal Labour-</u></p> <ul style="list-style-type: none"> • Physiological changes in labour • Stages of labour • Events in different stages of labour • Clinical course • Management, active management of third of labour. & <p><u>OP Presentation –</u></p> <ul style="list-style-type: none"> • Definition & causes • Mechanism of labour • DTA POP & occipito sacral • Complications • Treatment 	Dr. Suhas
3.	05/07/17	<p><u>Breech Presentation -</u></p> <ul style="list-style-type: none"> • Types • Etiology • Diagnosis • Mechanism of Labour • Maternal Fetal Outcome • Assisted Breech Delivery • Management Of Complicated Breech Delivery <p><u>Transverse Lie</u></p> <ul style="list-style-type: none"> • Position • Etiology • Diagnosis • Shoulder Presentation – Management • Hand Prolapse - Management 	Dr. Sharankumar
4.	12/07/17	<p><u>Episiotomy-</u></p> <ul style="list-style-type: none"> • Definition • Types with advantages and disadvantages • Indications & Contraindication • Complications 	Dr. Prashant

		<u>Tubal ligation (Tubecotomy)-</u> <ul style="list-style-type: none"> • Definition • Types - according to approach • Timing of the procedure • Methods of tubal ligation • Indications & contraindications • Complications 	
5.	19/07/17	<u>Forceps-</u> <ul style="list-style-type: none"> • History • Different types • Special forceps • Prerequisite before application • Indications & contraindication <u>Vacuum-</u> <ul style="list-style-type: none"> • History – different types – special forceps, pre-requirement before application • Indications & contraindications • Prophylactic trial failed 	Dr. Kanchan
6.	26/07/17	<u>IUCD -</u> <ul style="list-style-type: none"> • General idea about IUCD • Mechanism of action • Types • Medicated • Indications & contraindications • Complications 	Dr. Jayshree
7.	02/08/17	<u>Hysterectomy –</u> <ul style="list-style-type: none"> • Types – total, subtotal, plan & radical • Different approach abdominal, vaginal, LAVH • Advantage & disadvantage different approaches • Indication & contraindication • Complications 	Dr. Swapnali
8.	09/08/17	<u>Pap Smear & Cervical Biopsy-</u> <ul style="list-style-type: none"> • General idea • Different classification • CIN • Methods • Interpretation • Colposcopy & VIA • Biopsy different types 	Dr. Vishal
9.	16/08/17	<u>Instrument-</u> <ul style="list-style-type: none"> • Used commonly for gynaec & obstetrics procedure 	Dr. Dipak

10.	23/08/17	<u>Specimen –</u> <ul style="list-style-type: none"> • Different post-operative specimens in obst & gynaec.. 	Dr. Surendera
11.	30/08/17	<u>Drugs in Obst.–</u> <ul style="list-style-type: none"> • Commonly used drugs in obst. 	Dr. Rajendera
12.	06/09/17	<u>Drugs in Gynac.–</u> <ul style="list-style-type: none"> • Commonly used drugs in gynaec. 	Dr. Sanjay
13.	13/09/17	<u>MTP-</u> <ul style="list-style-type: none"> • Definition • Types according to trimester • Indications & contraindications • Methods • MTP act • Complications 	Dr. Umesh
