

# DEPARTMENT OF DERMATOLOGY, VENEREOLOGY AND LEPROSY

## 1. List of publications in (Period 2014 to 2019)

| Sr. No | Title of the article                                                                                                                                                                                         | Name of the authors                                                     | Name of the Journal                        | Details of the publication |       |      |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|--------------------------------------------|----------------------------|-------|------|
|        |                                                                                                                                                                                                              |                                                                         |                                            | Vol.                       | Issue | Year |
| 1      | A clinical and statistical survey of cutaneous changes in the first 120 hours of life                                                                                                                        | Sadana DJ, Sharma YK, Chaudhari ND, Dash K, Rizvi A, Jethani S          | Indian Journal Dermatology                 | 59                         | 6     | 2014 |
| 2      | An unusual pattern of alopecia areata                                                                                                                                                                        | Gupta A, Sharma YK, Dash K, Prakash N                                   | International Journal of Trichology        | 6                          | 4     | 2014 |
| 3      | Remarks regarding case reports "Molluscum contagiosum: Study of four cases" and "Histoid leprosy in type II reaction with neural abscess: Treated with ulnar nerve decompression and anterior transposition" | Sharma YK, Dash KN                                                      | Med. Journal DYPU                          | 7                          | 1     | 2014 |
| 4      | Dyshidrosiform pemphigoid with Parkinsonism in a nonagenarian Maharashtrian female                                                                                                                           | Behlim T, Sharma YK, Chaudhari ND, Dash K                               | Indian Dermatology Online Journal          | 5                          | 4     | 2014 |
| 5      | Pediatric tuberous xanthomas                                                                                                                                                                                 | Sharma YK, Gupta A, Chaudhari ND                                        | Indian J Dermatol Venereol Leprol          | 80                         | 4     | 2014 |
| 6      | A cross-sectional study of direct immunofluorescence in the diagnosis of immunobullous dermatoses                                                                                                            | Buch AC, Kumar H, Panicker N K, Misal S, Sharma Y K, Gore CR            | Indian J Dermatol                          | 59                         | 4     | 2014 |
| 7      | Superficial Large Basal Cell Carcinoma Over Face, Reconstructed By V-Y Plasty                                                                                                                                | Deshmukh P, Sharma YK, Dogra BB, Chaudhari ND                           | Journal of Cutaneous and Aesthetic Surgery | 7                          | 1     | 2014 |
| 8      | The Versatile Mite of Dermatological Importance                                                                                                                                                              | Sharma YK, Gupta A                                                      | Indian J Dermatol                          | 59                         | 3     | 2014 |
| 9      | Angiokeratoma circumscriptum in a young male. Indian J of Dermatol                                                                                                                                           | Sadana Dinkar, Sharma YK, Dash K, Chaudhari ND, Dharwadkar AA, Dogra BB | Indian J of Dermatol                       | 59                         | 1     | 2014 |
| 10     | Ultrastructural Investigations in an Autosomal Recessively Inherited Case of Dyschromatosis Universalis Hereditaria                                                                                          | A, Sharma YK, Dash KN, Verma S, Natarajan VT, Singh A                   | Acta Dermatologica Venerologica            | 95                         | 6     | 2014 |
| 11     | Histoid leprosy in type II reaction with neural abscess:                                                                                                                                                     | Patvekar MA, Dev S, Rizvi A, Malhotra R                                 | Med J D Y Patil Univ                       | 7                          | 3     | 2014 |

|    |                                                                                                                                                                   |                                                                             |                                              |    |    |      |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|----------------------------------------------|----|----|------|
|    | Treated with ulnar nerve decompression and anterior transposition                                                                                                 |                                                                             |                                              |    |    |      |
| 12 | Pemphigus vulgaris in an elderly patient                                                                                                                          | Patvekar MA, Sadana Dinkar                                                  | Indian J of Dermatol                         | 59 | 1  | 2014 |
| 13 | Adamdiades-Behcet disease: a case report                                                                                                                          | Patvekar MA, Soraisham R, Bhasin R, Buch AC, Deo K.S                        | Ind J Med Case Report                        | 3  | 3  | 2014 |
| 14 | Facial hyperpigmentation in a case of tuberous sclerosis                                                                                                          | Chaudhari ND, Talanikar HV, Gupta SB, Gupte B                               | Int J Basic Applied Medical Sciences         | 4  | 2  | 2014 |
| 15 | Treatment of Recalcitrant Warts by Contact Immunotherapy Using Diphenycycloproenone (DPCP)                                                                        | Dr Yuvraj More, Dr Swapna Khatu, Dr Neeta Gokhale, Dr Deepali Chavan        | International Journal of Scientific Research | 3  | 2  | 2014 |
| 16 | ‘Giant’ tuberous xanthomas in a nine-year-old child with homozygous familial hypercholesterolemia                                                                 | Gupta A, Sharma YK, Deo K, Kothari P                                        | Indian J Paed Dermatol                       | 16 | 4  | 2015 |
| 17 | Juvenile generalized pustular psoriasis in a 10-year-old girl                                                                                                     | Sharma YK, Wadhokar M, Deo K, Gupta S, Tyagi N                              | Ind J Paed Dermatol                          | 16 | 4  | 2015 |
| 18 | An epidemiological and clinico-histopathological study of leprosy in semi-urban area under Pimpri Chinchwad Municipal Corporation in Pune district of Maharashtra | Rizvi AA, Sharma YK, Dash K, Tyagi N, Yadava R, Sadana D                    | Med J Dr. DY Patil Univ                      | 8  | 5  | 2015 |
| 19 | Pemphigus foliaceus associated with adenocarcinoma of prostate                                                                                                    | Wadhokar M, Sharma YK, Deo K, Buch A, Gupta A                               | Indian J Dermatol Venereol Leprol            | 81 | 5  | 2015 |
| 20 | Usual clinical patterns of molluscum contagiosum in three different patient populations                                                                           | Yugal K. Sharma, Kedarnath Dash, Neha Virmani, Meenakshi Wadhokar           | Journal of Dr. D.Y. Patil University         | 8  | 4  | 2015 |
| 21 | Pediatric idiopathic hypereosinophilic syndrome with Gianotti-Crosti syndrome: a novel presentation                                                               | Molvi MAH, Sharma YK, Dash K, Patwekar M                                    | Int J Dermatol                               | 54 | 12 | 2015 |
| 22 | Cultural adaptation of the Cardiff Acne Disability Index to a hindi speaking population: A pilot study                                                            | Gupta A, Sharma YK, Dash K, Verma S                                         | Indian J Dermatol                            | 60 | 4  | 2015 |
| 23 | A comprehensive classification and abbreviated update of neonatal dermatological entities                                                                         | Yugal K Sharma, Dinkar J Sadana, Alia Rizvi, Kedarnath Dash                 | Indian Journal of Paediatric Dermatol        | 16 | 3  | 2015 |
| 24 | A case of Hyper Immunoglobulin-E Syndrome Associated with Scrotal Tongue and Intraoral Hyperpigmentation                                                          | Subha V Patil, Yugal K Sharma, Kedar N Dash, Kirti S Deo, Pradeep M Mahajan | Indian J Dermatology                         | 6  | 3  | 2015 |
| 25 | Cowden Syndrome: Case Report, Update and Proposed                                                                                                                 | Masuma Molvi, Yugal K Sharma, Kedarnath                                     | Indian Journal of Dermatology                | 60 | 3  | 2015 |

## 6. Teaching programme

### PG

| Day       | Activity                   | Presented by  |
|-----------|----------------------------|---------------|
| Monday    | Seminar                    | All JR1       |
| Tuesday   | Discussion/ Journal club   | All JR2       |
| Wednesday | Spotters/ short cases      | All JR2 + JR3 |
| Thursday  | Group discussion/ lectures | All JR1       |
| Friday    | Long cases                 | All JR3       |

| Activities             | Days             |
|------------------------|------------------|
| Bed side round         | Everyday         |
| Histopathology         | Monday           |
| Seminar                | Monday, Thursday |
| Group Discussion       | Tuesday          |
| Journal Club           | Wednesday        |
| Problem Based learning | Wednesday        |
| Grand Rounds           | Thursday         |
| Case Presentation      | Friday           |
| Microteaching          | Saturday         |

## 7. Dissertation :-

| Sr.No | Name of Study                                                                | Name of Student           | Name of Guide      |
|-------|------------------------------------------------------------------------------|---------------------------|--------------------|
| 1     | Clinico-histopathological study of Psoriasis                                 | Dr. Parag Kalyani         | Dr. M.A. Patvekar  |
| 2     | Clinico-histopathological correlation of various photodermatoses             | Dr. Anand Ojha            | Dr. D.J. Patil     |
| 3     | Role of skin prick test for food allergies in urticaria                      | Dr. Ravi Kothari          | Dr. M.A. Patvekar  |
| 4     | To study the effect of chemical peeling in various dermatological conditions | Dr. Kalpana Singh         | Dr. M.A. Patvekar  |
| 5     | Clinico-histopathological study of Lichen planus                             | Dr. Sanjeev Gupta         | Dr. N.D. Chaudhari |
| 6     | Clinicomycological correlation of dermatophytoses                            | Dr. Ram Tainwala          | Dr. M. Patvekar    |
| 7     | Skin changes and disorders asso. with pregnancy                              | Dr. Niti Gaur             | Dr. K. Dash        |
| 8     | Clinical study of geriatric dermatoses                                       | Dr. Nishant Sood          | Dr. N.D. Chaudhari |
| 9     | Pattern of facial dermatoses through the ages                                | Dr. Neha Goyal            | Dr. Y. K. Sharma   |
| 10    | Cutaneous manifestations in patients of CRF on hemodialysis                  | Dr. Supriya Deshmukh      | Dr. N.D. Chaudhari |
| 11    | Skin changes in endocrinological disorders other than diabetes mellitus      | Dr. Poorva Shah           | Dr. Y.K. Sharma    |
| 12    | Clinico-histopathological correlation of papulosquamous disorders            | Dr. Priyanka Sehgal       | Dr. K. Dash        |
| 13    | Dermatoses in pediatric population in a semi-urban area                      | Dr. Bhuvnesh Shah         | Dr. M.A. Patvekar  |
| 14    | Mucocutaneous manifestations of HIV and its correlation with CD4 count       | Dr. Neha Virmani          | Dr. M.A. Patvekar  |
| 15    | Oral lesions                                                                 | Dr Palak Deshmukh         | Dr. N.D. Chaudhari |
| 16    | Clinicopathological differentiation between hand eczemas and hand psoriasis  | Dr. Sonali Kohli          | Dr. K. Dash        |
| 17    | Clinicohistopathological correlation of pemphigus                            | Dr Sonal Chavan           | Dr. Y.K. Sharma    |
| 18    | Cutaneous manifestations in diabetes mellitus                                | Dr. Avinash B. Jadhav     | Dr. Y.K. Sharma    |
| 19    | Clinicohistopathological study of pityriasis rosea                           | Dr. Tabassum Behlim       | Dr. N.D. Chaudhari |
| 20    | Skin changes in neonates                                                     | Dr. Dinkar Sadana         | Dr. N.D. Chaudhari |
| 21    | Clinico-etiological correlation in patients with hand eczema                 | Dr. Masuma Molvi          | Dr. K. Dash        |
| 22    | Clinico-histopath and IF correlation of vesiculobullous disorders            | Dr. Subha V. Patil        | Dr. K. Dash        |
| 23    | Clinico-histopath study on verruca vulgaris                                  | Dr. Shruti S. Ghadgepatil | Dr. M.A. Patvekar  |
| 24    | Clinico-epidemiological study on pityriasis versicolor                       | Dr. Khushboo K. Mangal    | Dr. M.A. Patvekar  |
| 25    | Quality of life in acne vulgaris and its relationship to clinical severity   | Dr. Aayush Gupta          | Dr. N.D. Chaudhari |
| 26    | Evaluation of skin disorders in teenagers                                    | Dr. Ruben Bhasin          | Dr. Ruben Bhasin   |
| 27    | Clinical and histopath study of photosensitive disorders                     | Dr. Urvi Panchal          | Dr. Urvi Panchal   |
| 28    | Clinical and histopath correlation of skin                                   | Dr. Alia Rizvi            | Dr. K. Dash        |

|    |                                                                                                                                              |                        |                         |
|----|----------------------------------------------------------------------------------------------------------------------------------------------|------------------------|-------------------------|
|    | lesions in leprosy                                                                                                                           |                        |                         |
| 29 | Clinico aetiological study of folliculitis                                                                                                   | Dr. Mohammed Oves Khan | Dr. Y.K. Sharma         |
| 30 | Clinical and histopathological study of psoriasis                                                                                            | Dr. Sampurna Verma     | Dr. M.A. Patvekar       |
| 31 | Clinical and Bacteriological study of Impetigo                                                                                               | Dr. Ronibala           | Dr. M.A. Patvekar       |
| 32 | Clinical and mycological study of onychomycosis                                                                                              | Richa Shinde           | Dr. Y.K. Sharma         |
| 33 | Clinicoepidemiological study of nail disorders.                                                                                              | Neha Tyagi             | Dr. Y.K. Sharma         |
| 34 | Clinical and epidemiological study of foot eczema                                                                                            | Bhagyashri Gupte       | Dr. K. Dash             |
| 35 | Association of metabolic syndrome with psoriasis and its relationship to clinical severity                                                   | Naren Prakash          | Dr. N. D. Chaudhari     |
| 36 | Dermatoses in obesity                                                                                                                        | Priyanka Nair          | Dr. M.A. Patvekar       |
| 37 | Clinicoepidemiological study of alopecia in females                                                                                          | Meenakshi Wadhokar     | Dr. Kirti Deo           |
| 38 | Study of dermatoses in psychiatric patients                                                                                                  | Garima Malik           | Dr. H.V. Talanikar      |
| 39 | Whole body genome exome sequencing of blood and skin derived DNA to understand germline and somatic variation in genome in vitiligo subjects | Dr. Shruti Menon       | Dr. Kedarnath Dash      |
| 40 | Quality of life in melasma and its relationship to clinical severity                                                                         | Dr. Preeti Kothari     | Dr. Milind Patvekar     |
| 41 | Association of metabolic syndrome with vitiligo and its relationship to clinical severity                                                    | Dr. Prakhar Bansal     | Dr. Y.K. Sharma         |
| 42 | Comparative study of PUVA vs NBUVB vs P-NBUVB for treatment in patients with non-segmental vitiligo                                          | Dr. Sayali Tayade      | Dr. Y.K. Sharma         |
| 43 | Clinico-histopathological study of Lichen Planus                                                                                             | Dr. Deepti Shinde      | Dr. Milind Patvekar     |
| 44 | Dermoscopic study of papulosquamous skin diseases                                                                                            | Dr. Riddhi C. Chauhan  | Dr. Kedarnath Dash      |
| 45 | Investigation of predisposing factors in familial cases of vitiligo                                                                          | Dr. Samyak Ganjre      | Dr. Kirti Deo           |
| 46 | Quality of life in males with androgenetic alopecia.                                                                                         | Dr. Ankita Patel       | Dr. Milind A. Patvekar  |
| 47 | Quality of life in lichen planus.                                                                                                            | Dr. Phebe Jose         | Dr. Milind A. Patvekar  |
| 48 | Study of the effects of chemical peeling in various dermatological condition.                                                                | Dr. Sagar Gujjar       | Dr. Hemant V. Talanikar |
| 49 | Dermoscopic study of scalp dermatoses.                                                                                                       | Dr. Mahima Narang      | Dr. Kirti S. Deo        |
| 50 | Comparative study of intralesional platelet rich plasma vs intralesional triamcinolone acetonide in the treatment of alopecia areata.        | Dr. Rahul Ranpariya    | Dr. Sanjeev B. Gupta    |
| 51 | Clinico-epidemiological study of genodermatoses.                                                                                             | Dr. Sonia Sabhandasani | Dr. Hemant V. Talanikar |
| 52 | Comparative analysis of quality of life in patients having hand eczema via-a-vis foot eczema.                                                | Dr. Prachi Agrawal     | Dr. Ajay Kumar          |

**8. Achievements/Awards of Faculty, UG Student, PG student  
yearwise (calendar year)from 1<sup>st</sup> January 2014 to 2019 till date**

| Sr. No.          | Name               | Designation         | Details of achievements                |

## 11. Best Practices :-

- The centre of excellence for cell culture.
- This enables quick translation of basic science into useful technologies beneficial for the patient like melanocyte culture for vitiligo, fibroblast culture for non healing ulcers and fat culture for stem cells.
  - ☐ MoU with CSIR- Institute of Genomics and Integrative Biology, Delhi.
  - ☐ MoU with Sapienza university, Rome
  - ☐ MoU with Aduvo diagnostics, Chennai
