The primary aim of the Centre for Women's Advancement is to foster an inclusive, equitable, and safe institutional environment that empowers women students, faculty, and staff, and actively promotes gender equality and women's holistic development.

The primary objectives of the committee are as follows;

1. Empowerment and Skill Development: To organize workshops, seminars, and training programs focused on leadership, career advancement, financial independence, and entrepreneurial skills for women.
2. Awareness and Sensitization: To conduct regular awareness campaigns on gender-related issues, gender equality, women's rights, and the prevention of sexual harassment (POSH).
3. Safety and Well-being: To serve as a proactive body in collaboration with relevant institutional cells (e.g., Internal Complaints Committee, Counselling Cell) to ensure the physical and mental well-being and safety of all women in campus.
4. Research and Advocacy: To encourage and support research activities and projects related to women's studies, gender issues, and the documentation of achievements by women within the institution.
