

CME/Conference/workshops	Topic	Date
State Conference	MAHACON II 2015	29-30th Jan., 2016
Workshop	Anatomy of Regional Anaesthesia- A cadaveric workshop	19th Nov., 2017
Workshop	Organized : The Musculoskeletal Society of India Musculoskeletal Ultrasound workshop	10-11th March, 2018
Workshop	Live Surgery and Cadaveric Workshop ,Dept of Neurosurgery and Anatomy	15th Feb., 2019.
Workshop	Temporal Bone Dissection Workshop 2020	18th & 19th Jan., 2020.

Cadaveric Pledge

RESEARCH:

Research is conducted in fields of Genetics, Gross Anatomy, Histology, Histochemistry and Teratology Ph.D Research Projects:

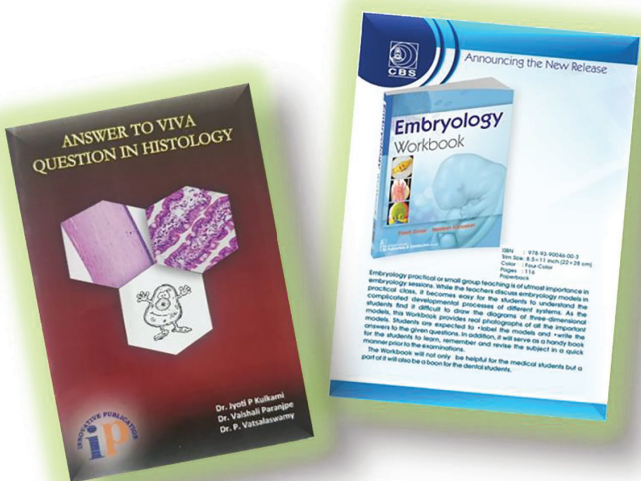

Completed: 3

On Going: 5 (as on date)

PUBLICATIONS

Scopus/Pubmed/ Web of Science: 41	Publication Evaluation
International: 54	Impact Factor: 5.16
National: 20	Citation Index: 50
Total: 74	H Index: 4

BOOKS PUBLISHED BY FACULTY:

DPU

Pimpri, Pune-411018**

DEPARTMENT OF ANATOMY

(Recognized by NMC for imparting undergraduate, MD and Ph.D. programs)

**“ HUMAN ANATOMY
IS THE FOUNDATION
OF CLINICAL MEDICINE...
TO BE LEARNT TO
REMEMBER LIFE LONG... ”**

MISSION & VISION

Development of

- Section of Histochemistry
- Genetics laboratory with microarray and FISH facilities
- Demonstration of live dissection by video camera
- Develop a video library of museum specimens
- Develop videos of surface marking and dissection for CBME curriculum

OBJECTIVES

- Empower undergraduate students with basic clinical and soft skills required for imparting health services to community
- Enhancement of undergraduate teaching with digital simulation gadgets
- Elevate standards of post graduate teaching and research with interdepartmental and interdisciplinary workshops
- Create awareness of Voluntary body donation by conducting outreach activities
- Promote translational research towards community at large
- Equip with facilities for contemporary and modern research

COURSES OFFERED:

MBBS, MD, MSc., and Ph.D

Courses Proposed:

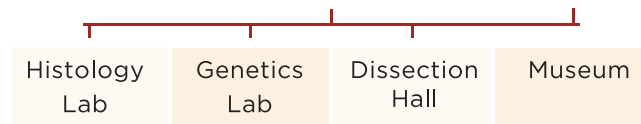

Fellowship in Medical Genetics: 6 months

Best Practices:

- Cadaveric Pledge
- Round the clock Embalming services
- Genetic lab services
- Structured anatomy revision
- Participation in Covid 19 Pandemic

INFRASTRUCTURE:

OVERVIEW OF THE DEPARTMENT

Dissection Hall and undergraduate teaching

Sr. No.	Particulars	No.
1	Laboratories	2
2	Dissection hall	1
3	Class rooms	4
4	Library / Reading / Seminar room	1
5	Staff rooms	9
6	Administration office	4

GUEST LECTURES BY FACULTY: 42

STUDENT ACHIEVEMENTS:

Miss Priyanka Sridhar Special Prize Students

Category for paper presentation at MAHACON II 2015

Faculty	Achievements
Dr. Dinesh Patel	Gold Medal in MD: 2015
Dr. V Bharambe	Best Paper award in MAHACON 2015, BJ MC conference: 2019 Award for Innovative teaching; 2018
Dr. Sapna Shevade	Best paper award in MAHACON 2016
Dr. P. Bajpayee	Gold Medal in MD: 2018
Dr. Neelesh Kanaskar	Best Poster in BJMC conf2019, Young Achiever award 2020
Dr. Preeti Sonje	MAIER award 2020

FUNCTIONAL GENETICS LABORATORY

SINCE 2006: Genetic laboratory registered under Public Health Department Government of Maharashtra

Ongoing research projects in Genetics:

- Genetic Study of products of conception in blighted ovum/missed abortions
- Comprehensive assessment of cytogenetic abnormalities in mental retardation
- Genetic Evaluation in Primary Ovarian Insufficiency (POI)
