

July 2013

Department of Ophthalmology

Original Article – “Evaluation of Various Risk Factors of Dry Eye” published in National Journal of Medical Research.

Authors - Dr Renu Magdum (Prof & HOD) - Dr Atreyee Pradhan (PG Students) - Dr Dhavat Shukramwala (PG Students) - Dr Khevna Patel (PG Students)

Dr. (Mrs.) Kavita Bhatnagar, Professor,

Publications :-

Her original article entitled “ Impression cytology to study conjunctival epithelial morphology after pterygium excision with mitomycin-c and conjunctival autograft, limbal autograft (A Pilot study) has been published in Journal of clinical Ophthalmology and Research (National Index Journal)

Her three papers have been accepted for publication in Medical Journal of Dr. D. Y. Patil University entitled as,

i) “Dry Eye Syndrome: A Rising Occupational Hazard in Tropical Countries”,

ii) “Ophthalmologists saving the life of a young patient presenting with sudden simultaneous bilateral retinal artery occlusions secondary to calcific emboli of cardiac origin”

iii) “Kearns-Sayre Syndrome: A Case Report”.

All three papers were reviewed by international referees of great repute. The 2nd article on retinal artery occlusion was reviewed by Dr. S..S. Hayreh, Prof. Emirittus and Director, Vascular clinics, LOWA University, USA, who is an authority in himself. It is a matter of pride for our journal that he has written a commentary with this article. All International reviewers have written commentaries with these articles.

She has been invited to become a reviewer of Asia-Pacific Journal of Ophthalmology.
