“Kutuhhal”- pre birth to rebirth, an exhibit focused on spreading medical awareness among the general public , was organized in SP College, Pune from 07/02/2020-10/02/2020. The department of Emergency Medicine was responsible for educating the public regarding first in common emergencies and basic life support in cardiac arrest. Seven interns under the guidance of Dr Varsha Shinde and Dr Ishan Lamba undertook this humongous task and executed it flawlessly with over whelming response from people of all age groups. A total of people 865 were trained in basic life support during the programme.

A lecture on first aid was taken by Dr Varsha Shinde and Dr Ishan Lamba for children of Dr DY Patil Public School on 04/02/2020. Children were taught regarding the importance of having a calm frame of mind and providing appropriate first aid during various emergency medical conditions.

The department of Emergency Medicine has been designated with training the entirety of the staff and post graduate students of Dr DY Patil Dental College. This would be done over a series of weekly lectures which would comprise of theoretical and hands-on training.
