

International Delegates from Johns Hopkins University Visited at “Yashoda” Advanced Human Milk Bank on 24th June 2024

International Delegates from Johns Hopkins University Visited to “Yashoda” Advanced Human Milk Bank, at Dr. D.Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune on 24th of June 2024 at 2.30PM.

| Dr. Shailaja Mane explained to them the working of a Human Milk Bank and the various processes that are involved. She explained about Donor mother screening, importance of informed consent, hygiene protocols, milk collection and correct use of hospital-grade electric breast pumps. She also explained in detail about the milk storage guidelines, pasteurization process, milk analysis, laboratory screening and priority based safe dispensing of PDHM to needy babies.

They are extremely pleased to see the spacious and comfortable ‘Milk expression area for mothers’.
