**Guest Report of Mrs Swati Deole at Yashoda Advanced Human Milk Bank on 18th October
2023 at 12.30pm.**

Mrs Swati Deole founder president of Aakaar Charitable Trust Yashoda Human Milk Bank, Dr. D.Y. Patil Medical College, Hospital and Research Centre, Pimpri, Pune on 18th October 2023 at 12.30pm.

Dr Shailaja Mane, Professor & Head of the Department of Paediatrics, gave her to orientation of Yashoda Human Milk Bank. She briefed about the donor and recipient statistics and different documents that are used. She also went through the different patient informative brochures and material.

Dr Mane also explained to her the working of a Human Milk Bank and the various processes that are involved. She explained about Donor mother screening, importance of informed consent, hygiene protocols, milk collection and correct use of hospital-grade electric breast pumps. She also explained in detail about the milk storage guidelines, pasteurization process, milk analysis, laboratory screening and priority based safe dispensing of PDHM to needy babies.

Mrs Swati Deole was extremely pleased to see the spacious and comfortable 'Milk expression area for mothers. She asked questions about number of mothers that benefit from the facility on daily basis, whether any compensation is given to the donor mothers and volume of milk that the mothers can express with the hospital-grade electric pumps. Dr Mane answered all these queries and emphasized on Milk donation being completely voluntary and consensual. Donor mothers are not compensated in any manner nor forced in any way to donate their milk. She truly believes it to be a noble cause and willingly donate their precious milk.

Mrs Swati Deole was highly impressed with the setup and the huge volumes of milk that have been collected here and distributed to needy babies over last many years at Yashoda Advanced Human Milk Bank. She also found the concept of Milk Van and home collection to be unique and beneficial. She said they learnt a lot of things from their visit to YAHMB.
